A Mother's Wish

As a Gold Star Mom, there is not a day that goes by that I do not mourn the loss of my son. While I am immensely proud of his service to his country that resulted in his ultimate sacrifice, I am also driven to honor his memory each and every day.

My wish is that a part of Mark lives on through this scholarship foundation helping young people achieve the same goals that Mark aspired. It gives me the opportunity to continue to tell the story of my only son, of his gentle and kind nature, and selfless devotion to his friends. He was a great son who grew into a fine man, and was a proud Marine.
